

### **From your Representation Executive Council: A Statement Against Discrimination and Hate**

SAMRU stands firmly against antisemitism and any form of discrimination. We are deeply committed to fostering an inclusive and respectful campus environment where all students feel safe and valued.

Upon hearing about a complaint of antisemitic graffiti, we acted promptly by reaching out to MRU Security Services, Wellness Services, and the Executive leadership of the students' division. We are in close contact with MRU Security to address any future reports we hear about.

We understand that reports of antisemitism and any form of discrimination cause fear and distress among students. We are here to support any student affected by these incidents and encourage them to reach out to SAMRU's Peer Support Centre (PSC) for referrals or to Wellness Services for assistance and counselling.

Once more, SAMRU unequivocally denounces any actions or expressions of discrimination and hate. We truly value diversity and inclusion, and we will continue to work to uphold these principles. Anyone who sees expressions of discrimination and hate on campus is strongly encouraged to reach out to SAMRU and report these incidents to MRU Security.
